<u>APPLICATION FOR FAMILY SUPPORT ASSISTANCE</u> <u>July 2006-March 2007(FY2007)</u>

The Fairfax-Falls Church Community Services Board Mental Retardation Services has funding to provide financial assistance with the *disability related expenses* for: 1) families who are primary caregivers and who are living with an individual who is a client of Mental Retardation Services; 2) adults who are clients of Mental Retardation Services, living independently in the community. Eligible families and adults may request assistance with *disability related costs* that are not covered by insurance, Medicaid, or other community programs. Individuals receiving residential services (i.e. group homes, foster homes, residential schools, institutions, drop-in residential counseling) or waiver services (Medicaid Waiver, Elderly and Disabled Waiver, Developmental Disability Waiver) are not eligible. Eligibility for Family Support Program services is contingent upon being eligible for Mental Retardation Services. If you become ineligible for Mental Retardation Services, you are ineligible for Family Support effective on the date your case with MR Services closes. If you begin receiving Medicaid Waiver, your Family Support Program eligibility ceases on the date your Waiver becomes effective.

Only families completing this Family Support Application can be considered. A completed application should be postmarked by June 23, 2006. The application should estimate the anticipated *disability related expenses* the family expects to incur between July 1, 2006 and March 1, 2007. Only expenses incurred within this time frame can be paid for or reimbursed. The maximum family support available is \$1,000. Families should submit their applications so they are postmarked by June 23, 2006 even if they are still waiting for insurance or Medicaid information.

FAXED OR E-MAILED APPLICATIONS WILL NOT BE ACCEPTED.

Return the application to:

Request Information:

Please identify your request in detail explaining expected benefits, cost information, insurance coverage, and the portion of the cost that the family can pay. Most *disability related* requests are eligible unless they are part of a county service, or they are considered to be a normal expense such as rent, clothing, utilities, or routine vacation expenses. Charges from Fairfax County programs (i.e. SACC, Hartwood respite, county recreation programs, county recreation centers) are not eligible as the county is already paying a portion of these fees. The Family Support Program does not pay for respite. Please contact your Case Manager for information regarding respite.
